*Swansea University*

USC’s affiliate program in Wales is designed to provide American students with first-hand knowledge of Welsh life and culture. The program is located in Swansea, approximately 35 miles west of Cardiff, the capital city. Renowned as South West Wales’ premier entertainment center, Swansea (pop. 230,000) is filled with numerous theatres, art galleries, museums, and pubs. Situated along the south central coast of Wales, Swansea enjoys direct train access to London (3 hours) and other major cities in the UK. Students will attend Swansea University which was founded in 1920. The University overlooks Swansea Bay on the edge of the Gower Peninsula, an area recognized for its outstanding natural beauty including spectacular cliffs and unspoiled beaches.

Budgeting
Students pay tuition and fees directly to Swansea University at a rate determined by the host institution. The United Kingdom is one of the most expensive places to study abroad due to the weak dollar against the strong pound. Due to this fact, students need to budget accordingly and be aware that prices will be approximately double while in the UK. For assistance in determining living costs and other fees, please refer to this site: http://www.swansea.ac.uk/international/money/EstimatedLivingCosts/

Master Calendar
Classes begin in September and end in December for the fall semester. There are some courses that may require students to stay into January, so students wanting to go for the fall semester need to plan ahead. In the spring, classes begin in January and end in June. A detailed schedule can be found at http://www.swansea.ac.uk/international/study/TermAndSemesterDates/.
